  - Bring Door Prizes, Sponsor Gifts, etc. to April Mtg.
- AIS Training/Trailer Sticker Law - Repeal Bill discussion, currently, they are moving slowly and at a pace & style to confuse the Voters. The Bills to change the Law, replacing language and definitions are moving, Transport becomes Launch, and multiple levels of fines are being added in these bills and a couple others. Some of the Bills are just being sat on and others are being moved to stuff into the omnibus (Garbage) Bills so we cannot follow easy, nor track who is voting for what. In other words as the French would say it is a "Cluster F\_\_k". Some Senators have signed as Authors on Bills for and against the Repeal and adding/changing AIS definitions, etc.

## **New Business:**
