Old Business:

TOC on Island Lake, we'll have 15 slots. Federation participation count is down as several clubs didn't want to go up to Island Lake. Get your forms to Jim Battin.

New Business:

WINTER TOPIC TO REMEMBER! Paul [B.is](#) going to draft some potential rule changes for the club bylaws about making the club strictly catch and release with the exception of Big Bass. (For next meeting). Also, Paul and Chris want the club to know that soon we will need volunteers for Archie's dock to be removed and hopefully a new one installed.

Chris G. wants to bring to the attention of the Fed that maybe we should rethink the heated pressure washer idea for lakes/tournaments. Thinking of potentially trying it out at Archie's lake and launch.
