- IDA re-cap:
 - Lots of wind made fishing some spots tough. Overall good Tourney. See separate email from Bill for results.
 - Overall, Black & Blue Jigs, 1/2-3/4oz. due to wind. Most 10-20 ft of water, pulling jigs thru narrow weedlines to outside edges and inside turns. Other HOT lures were Smoke/Purple Pachinkos, Texas Rigged, Grn Pumpkin Jig.

 - With any change in Tournament Fishing Status so he can make pairing changes.
 - If unable to attend or if you may be late for the meeting, please let Bill know prior to Noon on day of Club Meeting your status for the next tournament. In the future, failure to inform Bill Jr. of your status as this may leave you without a partner or not fishing. This will be enforced as it creates many headaches and extra work when we are trying to draw partners and Bill has not heard from you. Do not rely on telling others to tell Bill, they may miss the meeting or forget. We need this preferably by email a day or more in advance, otherwise call Bill.
